## Pinot Noir « Côté Pierre Lys » 2005

« Two vigneron of the Mâconnais, Christian Collovray and Jean Luc Terrier of Domaine des Deux Roches have established new vineyards in the Aude region to produce Chardonnay and to express a Languedoc version of the Pinot Noir where most of the local wine growers had *broken their teeth* on this delicate grape variety. Soil manipulation and an undoubtly technical knowledge are the ingredients of their success »

«A very nice style of pinot noir with a delicate structure which you cannot compare with a Grand Crû of Burgundy however this wine is a good expression of the grape variety from the south of France »
