

## LE GUIDE HACHETTE DES VINS 2008

### Saint-Véran « Plan du Carré » 2005 \*

Pale golden color with green hints, this 2005 has a good intensity with upfront varietal flavours ( white flowers and Citrus), followed by minerality and expression of the soil. The palate is round with full flavoured of citrus, the wine offers a full bodied mouth, well balanced with acidity. This wine has a good aging potential and requires a year to fully express itself »
